### ***rovermachart!***

KUNST - für viele wahrscheinlich ein eher abschreckendes Wort. Doch wir wollen zeigen, was KUNST ist und wie man KUNST macht und laden Euch, liebe RoverInnen und LeiterInnen zu

rovermachart!

vom 13. - 15.11.2009

auf die Margaretenhöhe nach Essen ein

- ist oder war der Kunstunterricht für Dich eher notwendiges Übel?
- kannst Du mit Kunst so gar nichts anfangen?
- bist Du der Ansicht Du bist nicht besonders kreativ?
- wolltest Du schon immer mal wissen, wie der Schorsch diese Fotos hinbekommt?

Genau das wollen wir an diesem Wochenende in Zusammenarbeit mit den Künstlern des Vereins unart e.V. aus Essen ändern und entdecken.

Hello sister Kathrin,

I will start from the beginning. My name is Zuzana Krippelová, I am 22 and I am searching for a scout who could help me with my German language (which is indeed very poor in my case). I would like to invite somebody for a month to Slovakia. That person should be over 18. The best would be a person of my age but actually I have friends who are younger and I feel really good in their company.

One month would be ideal for me. I have chosen July, because we have a scout camp (and that might be interesting for you) from 11th to 24th July. I can not invite you for August, because I am doing a kind of "wood badge course" here in Slovakia, which starts on 13th and ends on 23rd, but if someone would come a bit later in July we can prolong it until 13th August or so. If someone is interested, we will make a

compromise :). (If everything goes well, I will be free already in June. Or there is the 3rd possibility - from 23rd August to mid September. However, in that case you will not experience the camp with Slovak scouts.)

About me: I am 22 and I am a student of Comenius Universität (languages (Übersetzen - Dolmetschen)) in our capital Bratislava (which is not far from Wien if someone would be interested). I live in a town Trnava, which is about 50 km from Bratislava. My hobbies are: scouting, historical fencing and hiking (I like it very much)- I really love nature...and believe me, there is much to see in Slovakia (especially if the weather is nice). I am not very talkative (in your case I will be) but I like being with friends, making new ones and having fun.

Searching for: Well, I do not have any experience with inviting someone who is a complete stranger to me...but he or she is a brother/sister so I hope we would get on with each other well. I am searching for someone who is maybe not very demanding, but likes new experience and experiences and loves nature and being with people... especially scouts. Please do not be afraid and let me know if you are interested.

The last thing: I will provide accomodation and food.

Zuzana Krippelová

p.s.: I hope I have written everything you need. Thank you very much for your e-mail, I was very pleased. If there are any questions or if you want to know something just let me know. Yes, the time of your summer holiday seems to be a problem but I hope there would be someone interested. I would be very obliged - I seriously have to improve my German.
